

David Vap

Chief Solutions Officer

Originally from Missoula, David left Montana to go east for education at Carnegie Mellon in Pittsburgh. RightNow provided an opportunity for him to return to his home state where he currently lives in Bozeman with his wife and four-year-old daughter.

Experience

A 17-year veteran to the technology industry, David joined RightNow in 2006 and currently holds the title of Chief Solutions Officer. In this position he is responsible for the entire RightNow solution including Products, Partners, and Best Practices, including the five Centres of Excellence.

Before RightNow, David was the vice president of sales and marketing at Software AG. There he helped to define, market, and sell a leading business-centric SOA suite.

David also served as the vice president of products for Artesia Technologies, a content management vendor, until 2001. In this position he was responsible for product management, development and quality assurance. Prior to Artesia, David founded a professional services company that focused on packaging solution offerings built using a CASE tool environment. David started his career at Price Waterhouse in Washington, DC.
